About Me

As a committed and passionate computer science student nearing the completion of my degree, I have honed my skills in technology and software development through comprehensive coursework and hands-on projects. With only my final thesis remaining, I am eager to focus on practical applications and professional growth. I am eager to leverage my development and communication skills in a collaborative work environment, where I can contribute meaningfully to diverse teams.

My enthusiasm for technology is driven by a deep interest in software solutions, mathematics, and I thrive on solving complex problems and driving innovation. I am committed to continuous learning and embracing new challenges, with a strong desire to make a positive impact in the field. With my academic obligations nearly complete, I am fully prepared to dedicate myself to professional opportunities and development.

Experience

DevQA internship

06/2023 - 09/2023

Playtech | Tallinn

Throughout the internship, I actively participated in collaborative teamwork and acquired hands-on experience with professional development processes and tools. Moreover, I developed a comprehensive understanding of automated testing procedures in a corporate setting.

- Developed a tool for compiling project progress statistics using Vue and Spring.
- Worked with virtual machines and servers.
- Wrote and fixed automated tests using Selenium.
- Carried out all necessary software and server modifications for transitioning to the new version of Selenium.
- Developed clear and concise documentation to simplify complex procedures and enhance team efficiency.

Education and Skills

Tallinn University Of Technology | IT Systems Development

2021-2025 (in progress)

Java Spring | Python | C# .NET Core | JavaScript/TypeScript React | PHP | SQL | Relational databases | Linux | Virtual Machine | CI/CD | Docker | Git | Jira | Confluence | Maven/Gradle | RESTful API

C1 in English | Native Estonian Speaker | Teamwork | Problem-solving | Vim | Communication | Time Management
